**Referrer's Employment Verification Statement for USRAP Afghan Referrals**

A. I, \_\_\_\_\_, understand the importance of employment verification for any referrals I make to the US Refugee Admissions Program (USRAP) Afghan Priority 2 (P2) program. I understand the USRAP is a multiagency program that requires significant staff resources and time to implement effectively. I understand that fraudulent claims of eligible employment have the potential to undermine the integrity of and public support for the USRAP. Fraud also disadvantages all deserving applicants in need of resettlement by diverting time and resources away from legitimate applicants.

B. Therefore, I hereby certify that I am referring \_\_\_\_\_ (hereinafter referred to as the 'Principal Applicant') to the USRAP based on \_\_\_\_\_ *employment in Afghanistan by a US-based NGO or media organization with operations in Afghanistan.*

C. I certify I am the senior-most American official at my organization and have done due diligence to confirm the Principal Applicant worked for my organization, \_\_\_\_\_, during the dates \_\_\_\_\_.
